About

CPL Silent Phantom goes by the call name Timon. This handsome apricot parti boy is from our CPL Rebel Daisy x Fluffy's Tuxedo Junction litter. Timon has soft white fur with symmetrical apricot markings on his face and ears.

Timon loves playing fetch and taking long walks in the park. He's a loyal companion who enjoys snuggling up with his owners on the couch. Timon is always eager to meet new people and make friends, and he's been known to charm everyone he meets with his friendly personality and wagging tail.

Timon lives with a wonderful guardian family in New Jersey.
