

Morel

(call name Honey)

About

Honey is one of our medium sized chocolate moms. She enjoys playing in the yard and her favorite kind of toy is any ball.

Honey's rich chocolate coat has given us beautiful dark chocolate puppies in the past, usually with liver colored noses and light hazel eyes.

When she is not playing outside or on a walk, Honey loves to sit at a window and enjoy the scenery.

Honey's gentle and observant temperament makes her such an intelligent girl and we are so lucky that she gives us puppies just like her.
