About

Gemma is from our now retired Pyrotechnics and carries on his awesome legacy in our program. She has a silky soft apricot wavy fleece coat and carries for the phantom, chocolate and parti genes. So she can have just about any color puppy with the right "boyfriend".

We expect gorgeous apricot, red, chocolate, phantom and parti puppies from this lovely lady – many with lovely light green or amber eyes! Gemma represents the best of our blending of new American lines with the older Australian Labradoodle lines as she is 15/16 new American lines.

Gemma lives in a wonderful Guardian home in New Jersey not far from us. We are so happy to have her and just love the amazing puppies she has produced!
