

Hoppy

(call name Mr. Hoppy)

About

Hoppy is our handsome Australian deep caramel (liver-nosed) stunning stud. He is the grandson of our very first stud here at Cream Puff Labradoodles – Stargazer Little Czar, who still lives with us here in Princeton New Jersey! Czar was one of our many inspirations to embark upon the journey to breed deep red Australians and to expand the genetic footprint of the limited red lines in our breed to include our own new lines of deep Red and Red & White Parti Labradoodles.

Hoppy makes us smile when we look at him because we see the culmination of a dream for the Cream Puff Labradoodle program – to breed a unique and rare deep red pedigreed new Australian line. A red that is rumored to be the “elusive rufus gene” that there is not even a genetic test for yet. We are extremely lucky to have produced such a deep red boy such as Hoppy to add to our program. Hoppy lives in an awesome Guardian home in New Jersey not far from Cream Puff Manor in Hillsborough, New Jersey!

Testing

WALA00021332

Size: Mini, 23lbs

Hips: OFA certified

Elbows: OFA certified

DNA: Pra carrier, vwd/DM/EIC clear

Color/Coat: bbce, Parti-factored, IC clear

Australian Labradoodle
