

# Fluffy Flapper (call name Reba)

## About

We searched high and low for a girl to expand and deepen our red and red & white parti lines. Reba is just the right mix of American and Older Australian lines to start this new path for our breeding program! Reba's testing is spectacular and fits the bill to start our unique pedigree line of Australian red and red & white parti Labradoodles. By pairing Reba with our already deep red studs such as Vino, Sangre, Melungeon, Rock da Boat and Nieto de Fuego, we should be well on our way to continue producing more beautiful deep red and red & white parti puppies!

Reba is a medium-sized, deep caramel girl with a lovely fleece coat that she passes on to all of her puppies! If bred with a chocolate boy, she has the ability to produce chocolate puppies and the ability to help maintain their deep chocolate color!

Reba lives in an awesome Guardian home in Jersey City, NJ along with her human sister and their parents. Her human mom was our Founder's twin girls Montessori school teacher! Keep it all in the Cream Puff family and have twice the fun!
