

Cabriola (call name Luna)

About

Luna is one of our beautiful mini red girls weighing in at 23lbs. Luna has the sweetest disposition that she inherited from her mother, Sophie, and father, Nanook. She is such a lover and makes friends everywhere she goes. Luna's favorite snacks are T bone treats and popcorn.

Luna adores her four siblings and loves playing catch, fetch and keep away with them. She loves going for long walks with the whole family. Luna loves belly rubs and cuddles and likes to do tricks as long as she gets her treats at the end.
